CHAPTER 4 — PAGE 1

1

Roka: Has anyone seen Shibby?

Moiz: No, but I'm offended he hasn't wished us good morning yet.

2

Zeyno: HE ALWAYS SAYS ASSALAMUALAYKUM BEFORE ANYTHING ELSE.

Leena: That boy has personally terrorized my notifications every morning for months. Something's wrong.

3

Cas: Maybe he's finally discovered the mute button.

Anna: Cas, go check the music room.

4

Cas: Why me?

Anna: Because you're already useless here.

CHAPTER 4 — PAGE 2

1

KRRRKK

Cas: Shibby, bro, you can stop pretending now.

2

Hasnain: ...Cas.

Cas: What?

3

Hasnain: Don't touch anything.

Cas: Why?

4

Hasnain: Go get Aurora.

Cas: ...Oh.

1

AURORA: Everybody move back.

ROKA: Can you help him?

2

AURORA: I need silence.

MOIZ: That's literally impossible with this group.

3

AURORA: ...He's gone.

4

JEON: No way.

ROKA: Shibby?

LEENA: ...Oh, sweetheart.

1

MOIZ:
I'm gonna miss that idiot sending *"ASSALAMUALAYKUM EVERYONEEE HRUUU :3"* every single morning.

2

ABRAR:
AND IF NOBODY ANSWERED HE'D SEND IT AGAIN 😭

ZEYNO:
BRO WOULD WAKE UP AN ENTIRE SERVER JUST TO ASK HOW WE WERE.

3

GINA:
More reliable than my alarm.

LEENA:
I used to wake up ready to block him. Now I'd give anything to see that notification again.

ROKA:
You never blocked him.

4

LEENA:
Obviously. Unlike you uncivilized animals, he had manners.

MOIZ:
...I'm really gonna miss him.

CHAPTER 4 — PAGE 5

1

Roka: We're having a funeral. Everybody's helping.

Abrar: I'll get flowers!

Zeyno: I'll handle the candles!

2

Leena: Absolutely not. The last time you handled candles, we almost needed a second funeral.

Zeyno: *WHY DOES EVERYBODY KEEP BRINGING THAT UP?*

3

Adam: Because fire tends to leave an impression.

4

Ajnabi: roQa, who's organizing the speeches?

Roka: You can organize your own disappearance.

CHAPTER 4 — PAGE 6

1

Jeon:
He was genuinely the nicest person here.

2

Tacos:
He always listened when I said nobody loved me.

Lafloofi:
Because he had patience I clearly don’t.

3

Aurora:
He made this place feel less frightening.

4

Roka:
I hope wherever he is, somebody answers his good morning.

Leena:
And if they don’t, I hope he spams them until they do.

CHAPTER 4 — PAGE 7

1

Mattyes: That clock is broken.

Adam: Astounding investigation.

DONG... DONG... DONG... DONG... DONG... DONG...

DONG... DONG... DONG... DONG... DONG... DONG...

2

Haley: Wait. Look at the grave.

Abrar: ROKA, DID YOU DO THAT?

Roka: DO I LOOK LIKE I'M IN THE MOOD FOR A MAGIC TRICK?

3

Leena: Whoever's doing this has the emotional intelligence of a wet sock.

4

Hasnain: There's something tied beneath the rose.

ROOM 23

1

Cas: Excellent. First plan: leave.

Mattyes: We need a plan.

Abrar: THE GATES WON'T OPEN.

2

Cas: Second plan: develop wings.

Anna: I HAVE WINGS, YOU IDIOT.

3

Cas: Then why are you still here?

Anna: BECAUSE I'M NOT LEAVING EVERYONE ELSE.

4

Leena: Both of you, please continue. I'm studying how long a human brain can survive without oxygen.

CHAPTER 4 — PAGE 9

1

Roka: Tonight, all of us sleep in the same room.

Moiz: Boys and girls together?

2

Gina: Don't get excited. You're sleeping next to the fireplace.

3

Moiz: Why?

4

Gina: So we can throw you in if necessary.

5

Zeyno: *WAIT, WE'RE ACTUALLY ALL SLEEPING TOGETHER?*

Adam: No, we're having a conference. Bring a presentation.

6

Leena: I call the bed furthest from Moiz's mouth.

1

Tacos: I'll take the darkest corner. It suits my lonely existence.

Tacos: Even my suffering has a roommate.

Lafloofi: *WE'RE SHARING A MATTRESS.*

2

Cas: That's beautiful. I'm crying.

3

Anna: You're laughing.

4

Cas: My emotions are complicated.

5

Zaytoona: I want the spot by the window.

Jeon: You're a vampire. Of course you do.

1

Abrar: ZEYNO, YOU STOLE MY PILLOW.

Abrar: IT WAS ON MY FLOOR.

Zeyno: IT WAS ON THE FLOOR.

2

Adam: Fascinating legal argument.

3

Ajnabi: roQa, can you grow me a mattress?

Roka: Can you grow a personality?

4

Leena: Don't waste your magic. Nothing grows in contaminated soil.

5

Ajnabi: I feel attacked.

6

Leena: Good. It's working.

CHAPTER 4 — PAGE 12

1

Moiz: I have a very important question. *Who snores?*

Moiz: Why are you all looking at me?

2

Gina: You snore while you're awake.

Moiz: That's called breathing.

3

Azelax: You sound like a motorcycle trying to start underwater.

4

Cas: Pakistani engineering.

Moiz: *THAT'S RACIST AGAINST MY TECHNOLOGY.*

5

Leena: I'm filing a noise complaint with the murderer.

CHAPTER 4 — PAGE 13

1

Mattyes: Nobody crosses this line after lights-out without announcing themselves.

2

Haley: What if someone needs the bathroom?

Mattyes: They announce it.

Adam: I would rather die.

3

Aurora: Please don't say that today.

4

Cas: Imagine getting murdered because you were too embarrassed to announce a piss.

Leena: Cas, every sentence you speak makes natural selection look more appealing.

1

Cas: We should play a game.

Roka: Absolutely not.

Cas: Truth or dare.

2

Anna: *A PERSON JUST DIED.*

Cas: Exactly. Stakes have never been higher.

3

Gina: I'll play if the dare is punching Cas.

Leena: I'll fund the entire event.

4

Roka: Fine. One game. If anybody starts crying, we're stopping.

Adam: So we're stopping in three minutes.

CHAPTER 4 — PAGE 15

1
Cas:
Ajnabi.
Truth or dare?

2
Ajnabi:
Dare.

3
Cas:
Call Roka by her actual name for the rest of the night.

4
Ajnabi:
That's cruel.

5
Roka:
OH MY GOD, FINALLY.

6
Ajnabi:
I choose death.

7
Leena:
Convenient. We have a vacancy.

8
Aurora:
Can we please stop joking about death?

Adam:
At this point, death should stop joking about us.

1

Gina: Jeon. Truth or dare?

Jeon: Truth. I'm not trusting you with a dare.

Gina: Who's the prettiest person in this room?

2

Jeon: *THAT'S NOT A FAIR QUESTION.*

Zaytoona: Say Gina. She's going to keep asking.

3

Gina: I didn't hear an answer, gorgeous.

Jeon: *I HATE THIS GAME.*

4

Leena: Jeon's been interrogated for seven seconds and has already confessed to three crimes.

CHAPTER 4 — PAGE 17

1

HALEY: Hasnain. Truth. What did you steal from the music room?

HASNAIN: ...A key.

2

ABRAR: *EXCUSE ME? I'M THE KEY PERSON.*

HASNAIN: *It was under the piano.*

3

MATTYES: Why didn't you tell us?

HASNAIN: *Because it has a number on it.*

4

ROKA: What number?

HASNAIN: Twenty-three.

CHAPTER 4 — PAGE 18

1

Abrar: Let me see that.

Abrar: This isn't an ordinary lock key. It's for something that was sealed magically.

2

Ajnabi: You can tell that just by looking?

Abrar: You can tell you're annoying just by opening your mouth.

3

Zeyno: *ATE HIM UP.*

Leena: Finally, a productive use of the evening.

4

Mattyes: Does anybody remember seeing Room 23?

Haley: No. The hallway jumps from 22 to 24.

Adam: That's not suspicious at all.

CHAPTER 4 — PAGE 19

1

Moiz:
Okay. If somebody walks past, this lights up.

2

Cas:
What if it's a ghost?

3

Moiz:
It still detects movement.

4

Cas:
What if the ghost is Pakistani?

Moiz:
Then it gets diplomatic immunity.

5

Roka:
You two share one brain cell and somehow both of you keep losing it.

Leena:
Don't insult brain cells like that.

6

BEEP... BEEP... BEEP.

Moiz:
...

Moiz:
Okay, that's not supposed to happen.

1

Zeyno: NOPE.

Abrar: NOPE WHAT?

Zeyno: JUST NOPE.

2

Mattyes: Moiz, could it be malfunctioning?

Moiz: It detects heat and motion. Something crossed the hallway.

Azelax: But there's nobody there.

Sicario: I can fight a murderer. How do you fight a ghost?

3

Adam: Fantastic. Invisible roommate.

Leena: If it's here to murder us, it can at least knock. Some of us were raised properly.

4

BEEP... BEEP... BEEP-BEEP-BEEP!

Moiz: ...Guys?

Cas: Don't say guys like that.

Moiz: Something's coming back.

1

KRRRRK... shhhhh...

VOICE:
ASSALAMUALAYKUM EVERYONEEE...

Jeon:
...No.

Moiz:
That's Shibby.

2

Roka:
Don't open the door.

Cas:
For once in my life, I agree with Roka.

Leena:
I'm framing that sentence. It'll never happen again.

3

VOICE:
...HRUUU :3

Abrar:
OW—WHY ARE YOU HOLDING ME LIKE I'M YOUR EMERGENCY CONTACT?

1

Haley: Wait. There's something behind this.

Mattyes: Be careful.

2

Haley: ...There's literally nothing here.

3

Haley: AAAAAH!

HHHHHHHHHH...

4

Hasnain: ...

Hasnain: You're on my head.

5

Adam: The wall has asthma.

Leena: If the building starts coughing, I'm demanding a refund.

1

Moiz: That wasn't a recording. That came from *INSIDE THE WALL.*

Azelax: Maybe it's an echo?

Jeon: *AN ECHO OF WHO? THE DEAD?*

2

Leena: Can everybody stop offering increasingly *terrible explanations?*

3

*KNOCK... KNOCK... KNOCK...*

Voice: *...Rokaaaa...*

Roka: ...

Roka: Absolutely not.

4

Ajnabi: roQa, it's calling you.

Roka: *THANK YOU, I HAVE EARS.*

5

Cas: Apparently the ghost does too.

Leena: If it knows her name, it should know she's not *emotionally* available for this conversation.

1

Mattyes: We should investigate where that voice came from.

Roka: Not tonight.

Hasnain: I can do it without being seen.

2

Gina: That is exactly what a murderer would say.

Hasnain: ...Fair.

3

Ajnabi: I vote we send Cas.

Cas: Why am I always the sacrifice?

Anna: Because nobody would notice the difference.

4

Leena: I'm voting twice.

Roka: *NOBODY IS GETTING SENT ANYWHERE.*

CHAPTER 4 — PAGE 25

1

WHOOSH.

Zeyno: EVERYBODY STAY CALM.

Abrar: YOU'RE THE ONE SHOUTING.

Zeyno: I'M SHOUTING CALMLY.

2

Aurora: Can everyone say their name so we know who's here?

Sicario: Sicario. Still alive. Very unhappy.

3

Cas: Beyoncé.

Anna: CAS.

Adam: Batman.

4

Leena: I'm surrounded by the intellectual equivalent of expired yogurt.

Roka: EVERYBODY USE YOUR ACTUAL NAME.

5

VOICE: ...Present.

CHAPTER 4 — PAGE 26

1

Roka: Who said that?

Mattyes: Nobody move.

Gina: I didn't recognize the voice.

2

Hasnain: It came from behind the curtains.

Zaytoona: I can see something moving.

3

Tacos: If I die, tell Lafloofi I loved him.

Lafloofi: *I'M STANDING NEXT TO YOU.*

Leena: If either of you starts a farewell speech, I'm leaving you both here.

4

1

ZEYNO: THERE'S SOMETHING THERE.

ABRAR: WHY IS IT SO TALL?

MATTYES: Get back.

2

CAS: Is that a werewolf?

ADAM: In this economy?

3

AZELAX: I'll pull the curtain down with water.

LEENA: Please do. I'm running out of patience and we're only halfway through the night.

4

SPLASH—THUMP.

GINA: ...

ANNA: ...

CAS: I would like to apologize to the coat rack.

CHAPTER 4 — PAGE 28

1

Jeon: YOU ALMOST GAVE ME A HEART ATTACK OVER FURNITURE.

Cas: It was a very threatening coat rack.

2

Haley: Wait. Who moved it?

Mattyes: It wasn't there during the room inspection.

Hasnain: I didn't see it move.

3

Leena: So the furniture's walking now. Lovely. Next the pillows will start charging rent.

Roka: Stop joking for a second. Something moved it while we were all watching.

4

Moiz: Then where did it go?

BEEP-BEEP-BEEP!

1

Moiz: Whatever triggered this is underneath us.

Azelax: Under the floor?

Haley: There's a hollow space here.

Abrar: I can open it!

2

KRRRRAAAK!

Cas: That's *disgusting*. Close it.

Adam: Excellent investigation.

3

Roka: ...Why is there wind coming from *UNDER* the floor?

Leena: Because apparently even the basement wants us dead.

1

Moiz: My detector says there's something moving down there.

Haley: Can you see anything?

Hasnain: No.

2

SCRAAAAAPE... SCRAAAAAPE...

Zeyno: WHAT IS THAT SOUND?

Abrar: DON'T ASK IT QUESTIONS.

Leena: For once, Abrar has made an excellent point.

3

VOICE: ...Twenty-three...

Roka: ...

Cas: I would like to unsubscribe from this castle.

1

Aurora: Did anybody else hear that?

Gina: Please tell me that was Mattyes.

Mattyes: I'm standing right here.

THUD... THUD... THUD.

2

Zaytoona: I can hear something breathing.

Adam: Maybe it's Moiz.

Moiz: I AM HOLDING MY BREATH.

3

Leena: Moiz, please start breathing again. We cannot afford another funeral.

4

CHAPTER 4 — PAGE 32

1

Hasnain: There's something here.

Abrar: That's the same symbol from the key.

Haley: And the missing room.

2

Moiz: So Room 23 has something to do with all this.

Zeyno: *WHY IS THERE A CAT INVOLVED NOW?*

Cas: Maybe the ghost owns a cat.

Leena: Of course it does. Even the dead have better company than us.

3

Roka: Does anybody recognize the symbol?

4

*SCRITCH... SCRITCH... SCRAAAAATCH.*

Jeon: *...I WANNA GO HOME.*

1

Mattyes: Nobody opens it.

Gina: Wasn't planning to.

Jeon: *WHY ARE THEY SO BIG?*

2

Azelax: Maybe something dragged a weapon across the wood.

3

Abrar: Those aren't weapon marks.

4

Haley: How do you know?

5

Abrar: Because they're curved. Like claws.

6

Sicario: Great. Something I can't punch.

7

Tacos: I have lived a tragic life, but I refuse to die to an oversized house cat.

Lafloofi: Nobody's dying.

Leena: Except possibly my patience. She's been on life support since we arrived.

GRRRRRRRR...

1

ZEYNO: I AM NOT OPENING THAT.

CAS: Nobody asked you to.

ZEYNO: GOOD.

2

MOIZ: My sensor says whatever's outside is massive.

3

ADAM: Bigger than Mattyes's ego?

4

MATTYES: Adam.

5

ADAM: So yes.

6

ROKA: Everybody move back.

LEENA: Roka, if you open that door, I'm going to personally haunt you while we're both alive.

7

UNKNOWN GIRL: Could somebody open the door? He's getting impatient.

ANNA: ...HE?

CHAPTER 4 — PAGE 35

1

Zeyno: WHAT THE ACTUAL HELL IS THAT?

Moiz: THAT IS NOT A CAT. THAT'S A WHOLE HORSE WITH A CRIMINAL RECORD.

Cas: Pspspsps.

Anna: CAS, DON'T PSPSPSPS THE DEMON.

Leena: If that thing eats Cas, I'm adopting it.

2

Rassy: He's not going to eat anybody.

Rassy: ...Probably.

3

Roka: WHO ARE YOU AND WHY DID YOU BRING A DINOSAUR INTO OUR ROOM?

Rassy: I'm Rassy. And he's not a dinosaur.

4

Gina: Girl, that's the least concerning part of this introduction.

Rassy: Anyway, I'm looking for Room 23.

5

Abrar: ...How do you know about Room 23?

Rassy: Because it's my room.

6

Hasnain: There is no Room 23.

Rassy: I know.

Rassy: That's why I came back.

7

Roka: Back?

Rassy: ...You guys seriously don't remember me?

8

GRRRRR.

Rassy: Oh.

9

Leena: What do you mean, OH?

Rassy: I think someone followed me.

GRRRRR.

END OF CHAPTER 4.
